## It's Vacation Time

Dear Friends in Christ,

The first of June marks many things. Children are almost of school. Sunday school and Kid's club pause for the summer. And for many people in their jobs, schedules slow down a bit. So it's time to get away! It's time for a vacation! Of course, the trouble with vacations is that you always have to come back to everything. Lawns grow and laundry piles up. Even at work, assignments remain and work piles grow in your absence.

There are many types of vacations; some people use their free time in service to others. Some use their free time to take an adventure, a safari or exploring the Amazon. The best vacations, in my opinion, are the "get-back-to" vacations. On "get-back-to" vacations you might get back to your childhood home and let your children see where you grew up and played, where you as a child took your own vacations. "Get-back-to" vacations might also mean camping and getting back to nature. Or perhaps you want to get back to our nation's roots and visit the memorials and museums and national parks that uphold our nation's heritage. Or maybe you just want to get back to being a kid again with your kids at Disneyworld.

These are the vacations that will be remembered - even if none of the pictures turn out. These are the vacations you wish would never end.

Did you know that there is a place which offers that type of "get-back-to" vacation? And it's right under your nose. It's Prince of Peace.

At Prince of Peace, you can get back to your childhood faith and dreams, your childhood hope and confidence for the future. At Prince of Peace, you can get back to the roots of the unfailing love that God has shown to you through his Son, Jesus Christ. At Prince of Peace, you can get back to the ideals of the sanctified life you have been called to live; a life made possible by God's mercy and grace, in which you have received the forgiveness of sins.

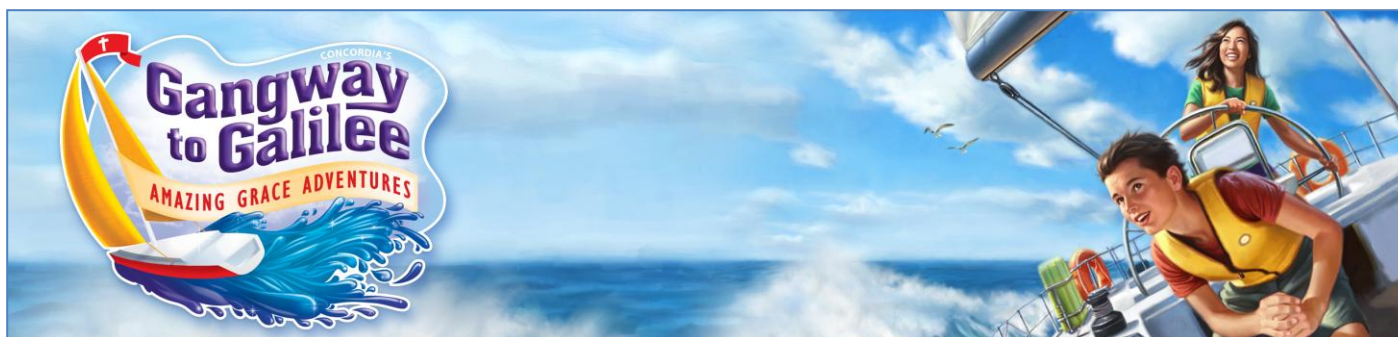

This is the perfect type of "get-back-to" vacation that you can share with your children without embarrassment. You can show them the majesty of God's love for us all and how it transforms ordinary lives into something special.

This summer, our "resort" plans to get back to the basics. The Essentials class (9 a.m. Sundays) will take us on a walk through the basics of the Christian faith and answer some of those basic questions; who is God? Who is Jesus? Who are we? If it's been a while since you've opened your Small Catechism, if you've forgotten some of the things you've learn - this class is for you.

The Prince of Peace "vacation resort" is open year round. Unlike some places, you never need to make a reservation. This weekly vacation spot will make you open your eyes and cause you to appreciate life even more.

Tired of vacation getaways that leave you tired and broke? Looking for a vacation that will inspire you and fill you with joy? Have we ever got a place for you! This weekly "get-back-to" spiritual vacation will renew you for whatever may come your way. Come and check out what Jesus has in store for you at his "get-back-to" vacation travel agency—Prince of Peace.

In Christ Jesus,  
Pastor Michael

## **Wanted**

One good man who is willing to make and install new metallic "rods" for the closet in which the Altar Guild stores all of the lovely banners that are used to decorate our Sanctuary. We need someone who will make a commitment, as we have needed this work done for some time and no one seems to have been able to make the time for it. Please consider doing this for us, so that we can keep these banners in good shape for many more years to come. Anyone interested, please see Kathy Volland.

## **May Preschool News ... Mrs. Shuttleworth & Ms. Nikki**

Well it's hard to believe that our year has come to an end! It has been another great year and it will be hard once again to see the four year olds move on to kindergarten. We are really going to miss them. They are such a special group of kids that have once again touched our hearts! A big thank you to all the parents for all your help over the years! We couldn't do it without you!

### **Three year olds**

The three year old topic for the month was Under the Sea! We made a jelly fish with it long tentacles. We talked about how fun it is to visit the beach and swim in the ocean! We are so excited for this class to be returning for another fun and exciting year! The three year olds graduated on May 29<sup>th</sup>. They are now officially FOUR YEAR OLDS! Thanks to all the parents for baking cookies for the graduation. They were delicious! Keep on Shining!

### **Four year olds**

The four year olds topics for the month were outer space and Chicka Chicka Boom Boom. This is a story about all the alphabet and it's a great way to review the letters! The other topic, which was a big hit, was outer space. They really got into it. We learned that we have only eight planets...yes Pluto is now a moon. We learned that the sun is the biggest star! We made a "galaxy of stars in a jar" and made a wish upon a star as we put them in our jars! We blasted off to the moon in our balloon powered rocket ships! The four year old graduation was held on May 30<sup>th</sup>. Look out kindergarten...here they come!!!! They all looked so cute in their caps and gowns...a few tears were shed for they all will be missed. It has been amazing watching them grow over the last two years! They have blossomed into beautiful flowers and are ready to take on the next big step...Kindergarten! Thank you for sharing them with us! Thanks to all the parents for their help over the years...it was greatly appreciated! Have a safe and blessed summer! Don't forget to stop in and see your preschool teachers when you can!!! We would love to hear all about kindergarten!

**May Preschool News ... Mrs. Smith & Ms. Twila**

*Phil 4:13 I can do everything through him who gives me strength*

The end of the school year is in our sights! The month of May left no time to slow down. In the beginning of May we celebrated our Mothers. Our four year olds paid tribute to Mom by singing "You Are My Sunshine" and "Skidder Mar inky Dink". Each Mother received a beautiful rose. We rounded off our Mother's Day celebration with handmade presents and a card. The four year olds made kitchen aprons and pot holders. Our three year olds made crafts for mom in addition to a card too. They made magnetic chalk boards the moms could hang on the wall to write reminders on. The growing three year olds sang "You Are My Sunshine" too!

Both classes used May to recognize and celebrate all of our students summer birthdays.

Academically, we treated May as a month of review. As we prepared every week for graduation, we had to remember letters A-Z, numbers 1-20 both in English and in Spanish, the days of the week, months of the year, and other songs we learned throughout the year. In addition, both classes took a verbal quiz to go over summer safety. During our summer safety sessions we practiced; stranger danger, good hygiene such as wearing the proper sun block, and summer safety for example drinking plenty of water which is good for your body and it will keep you hydrated.

Rounding out May were two very important events; THE END OF THE YEAR PARTY and GRADUATION! The of the year party was held for the four year old graduating classes as they get ready to embark on Kindergarten. This year we had a barnyard petting zoo with pony rides, a bounce house, cotton candy machine, face painting, and after the activities everyone had a pizza from Monte Cello's. What a nice way to unwind after nine months of school.

Last but certainly not least; GRADUATION! Our three year olds graduation date was May 29<sup>th</sup>, and our four year olds graduation date was May 30<sup>th</sup>. It's always bitter sweet as we send yet another class on to bigger and better things. Best of Luck to Prince of Peace Pre-School Graduating Class of 2014! WORK HARD IN KINDERGARTEN...!

**WE BID THEE FAREWELL, UNTIL SEPTEMBER...!  
MANY BLESSINGS,**

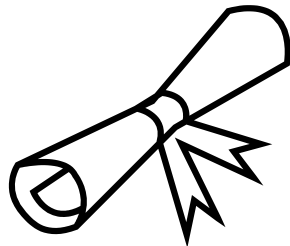

*Mrs. Smith & Miss Twila*
